HONG KONG COIN AUCTION

前言

拍卖目录付印时，饱受金融风暴打击的亚洲各国经济终於先後出现复甦 – 货币汇价回升，股票市场反弹，国民生产总值重见正增长。当然，全面经济复甦的道路仍是漫长和艰巨，但我们相信最恶劣的时刻已过去，明天会更好。

去年经济危机最严峻时期，我们预计许多钱币收藏家会被迫出售藏品以解决个人或公司的财困，令人惊诧和庆幸的是，大规模套现行动並未出现，显示集藏都在强者手中。当然，经济衰退，需求萎缩，各种钱钞的价格都向下调，钱币市场已转型为买家市场，手头有现金的买家可以合理价格增添藏品，但大藏家都很惜售，市场上好货难求。

我们尚幸能为这次拍卖会徵集到一批珍罕的亚洲钱币，包括中国北洋一两银币、台湾嘉义县老公军饷银币、袁世凯共和金币、广东七三反版银币全套和日本明治八年壹圆银币。至於纸币部份，东南亚钞票历来是我们的强项，今年的重头戏应是一批罕见的香港和沙劳越试色票。

最後，我们衷心感谢卖家和买家多年来的支持，希望大家有一个丰收和愉快的星期。

HONG KONG COIN AUCTION

Foreword

The ravaged economies of south-east Asia are showing definite signs of recovery; their currencies have regained some if not all lost ground, their stock markets have resurged, their GDPs have stopped contracting and some are beginning to post modest economic growth. While the road to full recovery is going to be long and arduous, we can safely say the worst is over.

At the depth of the crises last year, we anticipated massive liquidation of numismatic collections. To our surprise and relief this has not happened, which indicates the collections are in strong hands. Inevitably, the prices of coins and banknotes have softened in face of depressed demand and the seller's market of a few years back has become a buyer's market with a twist – it is getting more and more difficult to find good, fresh material. Today the discerning collector can cherrypick and make additions to his collection if he is lucky enough to find them.

Fortunately, this year we are able to put together a fine auction for our clients from all over the world. As usual, there is a nice run of Asian material including the Peiyang Silver Tael, the Chiai (Taiwan) Old Man Military Ration Dollar, the Yuan Shih Kai "Founding of the Republic" Gold Dollar, the Kwangtung "Seven Three Reversed Pattern" Set and the Japanese Meiji 8 Silver Dollar. Also the banknote section is highlighted by a selection of Asian notes including a group of rare Hong Kong and Sarawak colour trials.

Finally, we wish to acknowledge with gratitude the support of all our past and present consignors and buyers and hope everyone will have a rewarding and enjoyable experience during the week of the auction and convention.

Conditions of Sale

1. The highest bidder for each lot shall be the buyer thereof. In the event of any dispute, the auctioneer shall have absolute discretion to determine the dispute and may put up again and re-sell the disputed lot.
2. The auctioneer shall have the right, at its absolute discretion, to refuse admission to its premises or attendance at its auction by any person.
3. The auctioneer shall have absolute discretion to divide any lot, to combine any two or more lots, or to withdraw lots from the sale without giving any reason. The bidding shall be regulated at the absolute discretion of the auctioneer who shall have the right to refuse any bid or bids. No person shall offer any bid of less than US\$1. Postal commissions should be made to the nearest US\$5 where possible.
4. All lots are put up for sale subject to any reserve price that may be imposed by the seller. Should the reserve price be considered unreasonable by the auctioneer, the consignor is subject to at least five per cent (5%) commission on the reserve price if the goods remain unsold plus insurance charges.
5. Bidding commissions for anyone unable to attend the auction in person may be carried out by the auctioneer without charge, but "buy" commission will be accepted if the auctioneer is given absolute discretion.
6. The buyer of any lot shall immediately notify his name and address to the auctioneer and, if required, (a) provide bank or other credit references, and (b) pay the full purchase price, or a fractional deposit as may be determined at the discretion of the auctioneer.
7. Lots are sold as shown with all faults, imperfections and errors of description. Neither the auctioneer nor the seller shall give any warranty to any buyer in respect of any lot, or be liable for any fault or error of description, or lack of genuineness or authenticity of any lot. All statements as to the items sold, whether made in catalogues, during the course of the auction, or otherwise, are statements of opinion only, and are not and shall not be taken to be statements or representations of fact. The auctioneer reserves the right in forming his opinion, to consult and rely upon any expert or authority considered by him to be reliable. Notwithstanding the foregoing, if any lot should be proved by the buyer to be a forgery or re-print, or to have been wrongly described in any material respect, the buyer may reject the same, provided that he shall have given notice of his intention to do so and shall have returned the same to the auctioneer within fourteen (14) days from the day of the sale. Under no circumstances will the auctioneer be liable for any costs, expenses or damages incurred by the buyer in respect of any lot, including, but not limited to, loss of any kind of profit whatsoever. Bidders are advised to scrutinise the lots they bid for.
 - The auctioneer guarantees all items offered in the catalogue to be genuine. Claims to the contrary must be made in writing within fourteen (14) days after receipt to materials.
 - Questions on a coin being a proof or business strike relate to method of manufacture but not authenticity.
 - No lot may be returned after thirty (30) days after the sale.
8. The auctioneer acts solely as an agent and shall not be responsible for any default by either the buyer or the seller or for any action or claim which may arise in respect of any lot.
9. Buyers must satisfy themselves as to the accuracy of their purchases at the time of delivery. The auctioneer cannot be held responsible for any discrepancy which might be discovered after the lots have been removed from within the auction room or the auctioneer's premises.
10. The auctioneer will not hold himself responsible for the safe custody of any lots left for more than seven (7) days after the date of the sale, and reserves the right to charge storage and to re-sell by auction or privately, and without notice to the buyer, any lots not removed from its premises within seven (7) days from the date of the sale. Buyers shall not be entitled to remove lots from the auction room during the course of the auction.
 - No lot may be returned without the consent of the auctioneer.
 - If the auctioneer agrees to the return of any lot, it must be contained in its original, sealed and unopened container.
11. Each lot shall be at the buyer's risk from the fall of the hammer.
12. Any part of the purchase price left outstanding after the auction pursuant to Condition 6, shall be paid in full within seven (7) days of the date of the auction though the auctioneer may, at its absolute discretion, agree terms for credit with the buyer. Without prejudice to any other rights, the auctioneer reserves the right to charge interest on any overdue payment at the rate of 2.5% per month. All personal cheques must clear before delivery can be made, unless prior arrangements have been made with the auctioneer. Payment by credit card shall not be accepted for auction purposes.
 - Late payment for any reason is just cause for revocation of all return privileges.
 - The property in a lot shall not pass to the buyer unless he has paid the purchase price in full.
13. Buyers accepting commissions from other parties do so at their own risk and will remain responsible to the auctioneer for full settlement according to these Conditions.
14. By making a bid the buyer acknowledges his acceptance of these Conditions and shall be bound by them.
15. If any buyer fails to comply with any of these Conditions, the lot or lots in respect of which the failure is made may at the discretion of the auctioneer be put up again and resold. The damages recoverable from the defaulting buyer shall include, but not be limited to, the auctioneer's expenses and commissions in respect of the resale and the amount (if any) by which the price obtained on the resale is exceeded by that obtained in the first sale.
16. A variation of these Conditions shall only be binding on the auctioneer and the seller if it is made in writing and signed by a duly authorised representative of the auctioneer.
17. In these Conditions, the auctioneer means Taisei Gallery (HK) Ltd.
18. These Conditions shall take effect and be construed in accordance with the provision of Hong Kong Law.
19. A "Buyer's Premium" of ten percent (10%) is charged on the hammer price, but there is no additional charge for executing bids.

Advice to Postal Bidders

1. Return your commission forms sooner than later, as bids are recorded in the order that they are received. Where two bids are received for the same amount, the bidder whose commissions arrived first is the buyer, subject, of course, to bids from the floor.
2. If you are late with your bids, use the telex, send a cable or telephone. Telephone bids can be accepted, although we would ask for the bid figures to be confirmed in writing as we cannot accept responsibility for mistakes.
3. All commissions are handled in the strictest confidence and, if successful, the lot is knocked down in the name of "TAISEI".
4. The auctioneer will normally increase the bidding in 10% jumps. We would ask postal bidders to keep their bids to the nearest multiple of US\$5 or US\$10. Bids of US\$101 will be treated as US\$100, and similar "odd" amounts will be rounded down to the nearest actual bid at the auctioneer's discretion.
5. It is important to realise that we will try to obtain the lot bid on for the lowest possible price, and we fully appreciate the fact that the bids given are the maximum figure that the bidder is prepared to pay for any lot.
6. We are happy to handle bids for customers who are interested in a number of lots, but wish to spend only a limited amount of money. Bidders are advised to mark their bids in the usual way and then clearly state the maximum amount they wish to spend.
7. In a similar way, if bidders wish to bid on a choice of two items, they should clearly mark on the commission form "either/or".
8. Please remember to give full details as to how the lot or lots are to be dispatched. Successful bidders will be sent an invoice immediately following the auction, and the general rule is that this must be settled in full before the item or items are dispatched. Insurance and postage are to be borne by successful bidders.
9. If there is any query before an auction about any item in the sale, or regarding a method of bidding, remember we have several overseas offices which can assist, and we are only a telephone call or fax message away.
10. A "Buyer's Premium" of 10% is charged on the hammer price, but there is no additional charge for executing bids.

Miscellaneous

Commission Buying: All commissions handled by Taisei Gallery (HK) Ltd are treated in the strictest confidence and are "knocked down" in the name of "TAISEI".

Estimates: The figures in the list printed below each lot are the auctioneer's estimation of the expected price and are published as a guide for buyers.

Prices Realised: A list of prices realised is issued immediately

following each sale. Customers wishing to receive copies earlier are asked to send in US\$2 (or the currency equivalent). The auctioneer regrets that it is impractical for accounts to be charged for such a small amount. No list will be sent without full payment.

7. 所有拍卖品均根据其实际状况出售，不管有任何瑕疵、缺陷，或目录描述不当，拍卖人和卖主并无给予买主任任何购物保证，亦不须对任何瑕疵缺陷负责。所有关于拍卖品的说明，无论是在拍卖目录或其他地方，均属有保留的意见而已，不能亦不可视为事实的声明。拍卖人有权建立自己的意见，亦可谘询和依据他认为可靠的任何专家或权威。拍卖人保証所有拍卖品均属真品，但若任何拍卖品经买主証明是仿造品或再版品，或拍卖目录的有关描述严重失实，买主可以拒绝收货，但他必须在收到拍卖品 14 天内，书面通知拍卖人他准备退货，并将拍卖品在拍卖后 30 天内退还拍卖人。在任何情况下，拍卖人将不会负责由此引致买主任何成本、开销或赔偿，包括但不限于任何收入的损失。竞投者敬请在拍卖前仔细检查有关拍卖品。拍卖 30 天以后，任何理由均不能退货。
8. 拍卖人纯属代理人身份，对任何买方或卖方的违约行为或任何拍卖品所引起的诉讼或索偿，概不负责。
9. 买主在收货时，须仔细检查点算有关拍卖品，拍卖品一经离开拍卖人的办事处或拍卖厅，任何投诉，概不受理。
10. 拍卖后第 8 个工作天开始，拍卖人便再无义务代卖主免费保管有关拍卖品，并保留征收保管费用的权利。

邮寄竞投者须知

1. 邮寄投标委託书根据收信先後次序处理。若两份或以上委託书的标价相同，则委託书先到者先得，当然标价必须不低於底价。
2. 若赶不及邮寄投标书，可用电报、电传、传真、或电话，但电话标价必要由竞投者以书面确定後方会被接纳，因为我们不会负责任何电话标价的错漏。
3. 所有委託竞事宜皆严格保密，若成功购入，该拍卖品将以“泰星”的名义购下。
4. 拍卖人通常会以 10% 的幅度增加标价。邮寄竞投者请将标价保持在 US\$5 或 US\$10 的最接近倍数。“零碎”标价的个位数将会被拍卖人调低成为 5 或 0。
5. 我们将尽量以最低标价代邮寄竞投者购得有关拍卖品，因为我们明白邮寄标价是竞投者所准备付出的最高价格。
6. 邮寄竞投者亦可清楚註明预算花费的最高总金额。
7. 若邮寄竞投者希望竞投两项拍卖品其中一项，可在委託书上清楚註明此或彼。
8. 邮寄竞投者须提供拍卖品送货地点的详细资料。成功买主将在拍卖後不久收到账单，账款付清，才会送货，保险费和邮资概由买主负责。
